## The "Mane" Event

Due to social distancing restrictions, our club held our

first ever virtual meeting. Using Zoom, we met at our regularly scheduled time, April 9, 2020. The meeting went well for our first time meeting virtually. It was great

to see everybody and catch up as to how everyone is doing.

Thanks to President Blake for setting up the meeting

for us. These people were available and able to log in. Paula Crane, Jim Barbare, Hope Barbare, Becky Bagwell, Jud Blackwell, Ray LeBlanc, Clara LeBlanc, Blake McClimon. Hopefully we'll soon be back together.

## Other Events

Planting a tree for Arbor Day has been postponed until the fall. President Blake will make plans to set the event up in the fall.

Our events and fundraisers were cancelled this spring, but we still care for one another and our community as we can. Do you know someone who is in need? An elderly person who needs errands run, or someone who would appreciate a cheery card or phone call? A family in need of groceries? Let President Blake or Service Chair Hope know and our club will help.

Do you, as a member need help? We serve each other too. Let us know.

President Blake is working on slate of officers for next year. Stay tuned!

## We Serve: Report for Blue Ridge July 2019-Jan 2020

1516 people served - 13 Service Projects completed- 858 Hours in Service. Remember to send Hope service reports for the month of April.

**Kindness matters: Let's continue to put our kindness in action especially during this time of uncertainty and social isolation for many.**

## Service Opportunities:

**Adopt a Highway trash pickup is still scheduled for May 16. According to Phil Bowers, AAH chair, the state has not cancelled the pick up but encourages all to practice social distancing.**

**We will meet at Hwy 101 Dollar General Parking Lot at 8:45 am on May 16. If you cannot come on Saturday but would like to participate in trash pick up, send an email to Hope or Jim and we can meet you with bags at another time during the week.**
