AAH: Blake McClimon

Our club was able to meet in person in June. We had such a great time seeing each other again and connecting, with social distancing except of course for family members who sat together.

Join us for our July meeting when we will be recognizing outgoing club officers and sharing a vision from President Paula Crane for the upcoming Lions year.

Other Events

Planting a tree for Arbor Day has been postponed until the fall. President Blake will make plans to set up the event in the fall.

Our events and fundraisers were cancelled this spring, but we still care for one another and our community. Do you know someone who is in need? An elderly person who needs errands run, or someone who would appreciate a cheery card or phone call? A family in need of groceries? Let President Blake or Service Chair Hope know and our club will help.

Do you, as a member need help? We serve each other too. Let us know.

Scenes from our meeting

Other news...

USA-Canada Lions Forum scheduled for Louisville, KY in September has been cancelled, but we are still expecting to go to Montreal next July so mark it on your calendar, get your passport ready, and let's go celebrate our club member Jim Barbare's installation as district governor.
