Lions Trent and Angela noticed a Melvin Jones Plaque in a leather shop in Florence, Italy recently. Lions are everywhere. Here they are pictured with Lion Niki Guash. She gave them a 50% discount just for being Lions.

District Cabinet Meeting

- Lions Paula, Jim and Hope attended the District Cabinet Meeting in Anderson.

Lion Jim pins Lion Joe Robinson of the Greenville Pleasantburg Lions Club with the Lions Vision Services Franklin Mason Fellow pin. Joe is the longest serving current member of the club.

A woman with short grey hair and glasses, wearing a blue polo shirt with a "BLUE RIDGE LIONS CLUB" logo and a yellow visitor badge, is seated in a metal chair. She is holding a black, handheld vision screening device. In the foreground, the back of a young boy's head is visible as he looks towards the woman. To the left, a blue padded bench holds various items including a water bottle, a bag, and a tangle of orange and white cables. The background is a solid lime green wall, and a white trash can is visible on the right side of the frame.
